Dolce Touch Hybrid Luxury Vodka won the votes of discriminating consumer palates resulting in its platinum award, the highest medal at the 2010 Spirits International Prestige (SIP) Awards. This hybrid luxury vodka is not a plain vodka or a flavored vodka, it's essentially a mixture of their best qualities.

"As a newly launched company, it's truly an honor to receive the platinum medal at the 2010 SIP Awards," said Matthew A. Leung of Dolce Touch LLC. "Dolce Touch By Dolce Touch has a unique and smooth taste, and we're just thrilled to be recognized by consumers as an award-winning vodka in the spirits industry."

Dolce Touch Hybrid Luxury Vodka is currently only available in the states of Washington and California. It is made in Seattle, Washington.
